I never thought I’d be writing this message during the final days of my own Senior Week. After years of completing this book for other classes, this year it has been a treat putting together this collection of memories for my own classmates. This book is dedicated to the adventure of senior year from the novelities of living in the Mods to the anxieties of planning a future. I’ll look forward to the day that one of the photos I’ve taken ends up uncovered years later by old friends, our children, or hopefully news reporters when we all become famous. It could not have been created without an enthusiastic staff who sat around with me on Monday nights laughing at my antics that had nothing to do with yearbooks. I sincerely hope you enjoy looking through it as much as I have enjoyed creating it, for this book is a labor of love.

With love and dedication - Rachel Jarman 08’ Editor in Chief
