A voyage aboard the
Exclusively Chartered Small Ship
Five-Star M.S. LE SOLEAL

July 9 to 16, 2016
Dear Alumni and Friends,

Arctic-blue glaciers, rarely observed marine life, pristine waters, towering mountains, magnificent untouched coastlines and abundant wildlife. These are just some of wondrous sights that will unfold around you on this exceptional five-star, small ship cruise of Alaska's glaciers and the Inside Passage, the last of the great American frontiers.

Enjoy this one-of-a-kind pairing of five-star accommodations with a superior exploration-style itinerary as you cruise from Juneau, Alaska, to Vancouver, British Columbia, during the long days of summer.

Exclusively chartered for this voyage, the M.S. Le Soleal is a five-star small ship specially designed to traverse narrow fjords and isolated coves and inlets inaccessible to larger ships. It is the ideal vessel for this unique itinerary, offering spectacular views from sheltered observation decks and from the comfort of elegantly appointed suites and staterooms, most of which include a private balcony.

What’s more, our tour will be led by Dan L. Perlman, Brandeis professor of biology and environmental studies (see bio below.) His deep knowledge of fragile eco-systems and engaging manner will give travelers greater insight in this fascinating region.

In addition to the archetypal Alaskan towns of Sitka and Ketchikan, we will stop at historic and rarely visited ports, including the tiny, picturesque town of Elfin Cove and Petersburg, Alaska’s “Little Norway.” Experience Native Alaskan art and tradition and the cultural fusion of Tlingit and Russian heritage. Traverse the immaculate waters of the Wrangell Narrows, accessible only by small ship; observe an amazing array of wildlife amidst the secluded Inian Islands; and cruise up close to the sheer granite cliffs of Misty Fjords National Monument. Glide through the serene Inside Passage — one of the most scenic waterways in the world — in search of whales, harbor seals, porpoises, sea lions, sea otters and eagles in their natural habitat. Cruise through Tracy Arm Fjord, a majestic panorama of plunging waterfalls and snowcapped peaks, right up to the face of the monumental South Sawyer Glacier and listen for the sounds of cracking ice as it calves into the sea.

Join your Brandeis friends and family on this once-in-a-lifetime trip. We expect it to sell out quickly, so book now while space and early booking discounts are available.

Sincerely,

F. Patricia Fisher

EXPLORING THE INSIDE PASSAGE

Shaped by the staggering force of the Ice Age and sheltered from the Pacific Ocean by one thousand miles of islands along the Pacific coast of North America, the Inside Passage, extending from the Alaska Panhandle beyond British Columbia, embodies snowcapped mountains, arctic-blue glaciers and a wilderness bigger, bolder and more beautiful than you can imagine. Stand on the deck of your Five-Star small ship, surrounded by 360 degrees of stunning scenery, as you cruise the secluded coves and inlets of these protected waters, one of the few pristine marine wilderness areas left on Earth. Watch for bald eagles, humpback whales, harbor seals and brown bears in their natural habitats. Listen to the thunderous sound of the Dawes and South Sawyer Glaciers calving and see their vivid glacial-blue ice up close on naturalist-led Zodiac expeditions. Venture through narrow straits and into the heart of Tracy Arm and Endicott Arm, where sheer cliffs rise thousands of feet into the sky. Explore the Inside Passage’s hidden treasures, including Misty Fjords National Monument, the secluded Inian Islands and seldom-visited Elfin Cove. Along the way, encounter the indigenous culture of the Tlingit, the onion-domed churches built by Russian fur traders, hearty fishing villages and historic trading outposts settled by Norwegian and American pioneers and former gold rush settlements built more than a century ago.

Juneau, Alaska
Call of the Wild author Jack London set forth from this picturesque city to join the Klondike Gold Rush in 1897.

Tracy Arm Fjord/South Sawyer Glacier/Endicott Arm/Dawes Glacier
Cruise into the deep and narrow fjord of Tracy Arm, where waterfalls cascade from dramatic cliffs, lush forest fades to spectacular sheer rock and icebergs glint in the sunlight. At the remote end of Tracy Arm, approach South Sawyer Glacier and watch and listen as it calves chunks of ice that become floating platforms for hundreds of harbor seals. On a Zodiac outing in the pristine, seldom-visited Endicott Arm, venture to the arctic-blue toes of the majestic tidewater Dawes Glacier and look for Arctic terns, pigeon guillemots and even mountain goats.

Please note that the ship’s cruising pattern and positionings are dependent on weather, ice and water conditions and are subject to change.

Point Adolphus/Inian Islands/Elfin Cove
Your small ship allows you to look for humpback whales feeding in the nutrient-rich waters surrounding Point Adolphus. Cruise through Icy Strait to the wild Inian Islands, around which flow unspoiled tidal waters teeming with marine life. From aboard a Zodiac, watch for hunting sea lions and swooping bald eagles, along with other predators.

drawn by the abundance of salmon and other prey. Cruise to pristine Chichagof Island, where you will tender ashore by Zodiac to visit remote Elfin Cove. Walk the boardwalks of this tiny fishing community (year-round population: 20), surrounded by the majestic conifers of the Tongass National Forest.

Sitka
Nestled on the edge of Baranof Island and well known for its stunning beauty, Sitka is laden with the art and history of its aboriginal and Russian past. First settled by the Kiksádi clan of the Tlingit, the “capital of Russian America” flourished as a Russian fur trading hub until its 1867 transfer to the United States. Visit the impressive Alaska Raptor Center, Alaska’s foremost bald eagle habitat, where more than 100 injured eagles are rehabilitated and released back into the wild each year.

Lovely Sitka, settled thousands of years ago between majestic, snowcapped mountains and the shores of the Pacific Ocean, proudly exhibits its Tlingit and Russian heritage.

Explore the rich Tlingit culture while conversing with local artisans in Sitka National Historical Park, whose trails are lined with towering, intricately carved totem poles, a lasting memorial to an ancient heritage. Marvel at the priceless collection of icons in the onion-domed St. Michael’s Cathedral, the first Russian Orthodox church built in North America.

LeConte Bay
Be on deck while cruising the mouth of LeConte Bay, a safe habitat for harbor seals seeking refuge from predators. Aboard a Zodiac, look for mothers and pups sunning themselves on icebergs. This bay is the terminus of LeConte Glacier, North America’s southernmost tidewater glacier that frequently calves icebergs.

Petersburg
Settled in the late 19th century by Norwegian fishermen along the peaceful Wrangell Narrows, the charming, vibrant, seldom-visited fishing village of Petersburg is filled with traditional Scandinavian rosemåling architecture. Residents still observe many Old World customs, earning Petersburg the moniker “Little Norway.” Discover the town’s rich heritage as you visit with a resident fisherman and explore the Clausen Memorial Museum, which displays a 127-pound king salmon, the largest ever caught.
Attend a traditional folkloric musical performance at the Sons of Norway Hall, a fraternal organization dedicated to preserving Norwegian heritage across North America.

**Ketchikan**

In the colorful fishing town of Ketchikan—“salmon capital of the world”—stroll the historic boardwalks of Creek Street and watch salmon swimming upstream through the middle of town along the well-known “Salmon Ladder.” Visit a typical Tlingit village and see the fascinating native art of Potlatch Totem Park, where a master craftsman demonstrates the ancient technique of hand-carving a totem pole.

**Misty Fjords National Monument**

Enjoy the rare opportunity to cruise the glacier-sculpted inlets of magnificent Misty Fjords, a seldom-visited American national and natural treasure harboring some of the Alaska Panhandle’s most awe-inspiring scenery and wildlife. Behold the running streams flowing through stands of evergreens that merge into mighty waterfalls plunging down spectacular, 3000-foot-tall, near-vertical, granite-faced cliffs.

**Cruising the Inside Passage**

Aboard our Five-Star ship, experience up close the natural wonders of the fabled Inside Passage, one of the most scenic waterways in the world, cruising amidst countless islands, lush forests, secluded bays and coves, sandy beaches and lofty waterfalls cascading from mountain cliffs inaccessible to larger ships. While sailing the Inside Passage’s placid waters, watch from the ship’s decks, spacious balconies and observation lounge for cavorting sea lions and breaching orcas in the deep waters and brown bears.

**Vancouver, British Columbia, Canada**

Originally built as a small 19th-century timber milling settlement, today dynamic Vancouver is the cultural and financial heart of Canada’s Pacific Northwest.

Visit Vancouver Island and Butchart Gardens, a National Historic Site of Canada that was once a private estate and today is one of the most beautiful gardens in North America. Tour elegant Victoria, a former British Empire port that still retains a charming English accent as well as wonderfully-restored 19th-century architecture. In Vancouver, see historic Chinatown, famous Stanley Park and the 19th-century Gastown District and explore the Public Market and native artisans’ studios at Granville Island. Accommodations for two nights are in the deluxe WESTIN BAYSHORE HOTEL.

Our adventure programs are based on fares in effect at the time of printing and are subject to change at any time. On land and/or cruise programs, even after full payment, Gohagan reserves the right to increase the tour price in the event of cost increases due to changes in supplier costs, currency fluctuations or fuel or energy surcharges and all such increases are to be paid to Gohagan upon notice to the tour participant of such increases. On programs which include Gohagan purchased interstate or international air (which originates or returns to the United States), no increased costs will be passed on after final payment except for subsequently imposed governmental tax increases.
