# Meet Flat Ollie

You've heard about Flat Stanley, who travels via mail and email, having his picture taken in every corner of the world and sending tales of great adventures back to friends. Well, meet Flat Ollie.

Flat Ollie is one of many fun initiatives designed especially for Bold alumni (Brandeisians of the Last Decade). Bold is a new program focusing on your needs, and includes a host of new events and opportunities to connect with other alumni who have graduated within the past ten years.

**Here's what you do:** Cut out Flat Ollie and take him with you — to work, on that hard-earned vacation, on a date with a fellow Brandeisian, out for coffee, on a hike. Wherever. He's ready to fly the coop!

Take a picture, write a caption and email us! Be sure to "friend" Ollie Brandeis at [facebook.com/flatollie](https://facebook.com/flatollie), tag him in pictures and "like" the new Brandeis Bold Facebook page.
