### Questionnaire:

Has your Brandeis liberal arts education served you well in your life, work and/or career?  
If so, how and why? For example, courses, point of view...

Please share specific memories of your Brandeis experience, friends, professors, and campus events.

What do you know about Brandeis today that interests or excites you?

**Class of 1956  
50th Reunion Yearbook**

Have you any words of wisdom for Brandeis students now?

Do you keep in touch with many Brandeis people? Do you see them often?

What are your interests and passions right now? If you have retired, have you changed your focus?

What have you learned about the aging process? How do you maintain your health? Any tips for the rest of us?

Have there been some unexpected turning points in your life?

What is on your wish list for the future?

What is your general attitude toward the future?

What would you entitle your autobiography?

Do you plan to attend the 50th Reunion in May?

**Please include recent pictures of yourself and/or family!!**
