Questionnaire

1. How would you describe that kid (you) standing in line at Orientation back in 1953?
(4 or 5 words or phrases):

2. What was important to you during those college years?

3. What is important to you now?

4. Have you retired? Are you still working? How do you spend your time? Have you begun another career? hobby? pursuit of learning? volunteer occupation? How many careers have you had?

5. Who or what had an impact on you at Brandeis?
(Please share specific memories... friends, professors, courses, campus events, etc.)

6. Who or what has had an impact on your life outside of the Brandeis experience?

7. What do you know about Brandeis today that interests or excites you?

8. What words of wisdom would you have for Brandeis students now?

9. Do you keep in touch with many Brandeis people? If yes, local or at a distance?

10. What turning points in your life have taught you something about yourself that surprised you? (And please tell us what it is you learned to the degree that you are comfortable doing so.)

11. What is on your personal wish list for the future?

12. What is your general attitude toward the future?

13. What would you entitle your autobiography?

14. You **are** attending our 50th Reunion in May, right? _____

**Please include recent pictures of yourself and/or family!!
Thanks!**
