

# Brandeis University Alumni Association

*Your New Brandeis University Alumni Association Membership*

It's an exciting time for our newly invigorated Brandeis Alumni Association, and *you* can be an active part of it now. As a Brandeis alum, you are automatically a member. But there's more if you become a Supporting Member.

With twenty-two regional alumni clubs across the United States and worldwide, the association offers more than one hundred fifty events each year, attracting more than five thousand alumni.

Programs include the intellectually stimulating Faculty in the Field, Alumni College, and Brandeis in the Berkshires; professional networking opportunities; performing arts events; athletic events; family-friendly events; and many others.

The Alumni Association is continually working to improve and expand alumni services. Later this year, we will launch a state-of-the-art, comprehensive online community that will feature career networking and an enhanced online directory.

You can help by making a tax-deductible membership gift of \$30 per alumnus or \$50 per Brandeis couple to the Alumni Association. You will receive exciting additional benefits and privileges and will help to fund these alumni programs and services.
