Circumnavigation of Iceland

Cruising aboard the
Exclusively Chartered, New Small Ship
Five-Star Le Bellot

July 5 to 13, 2020
Round-Trip Air Included from Select Cities³
Dear Alumni and Friends,

Join Brandeis Travelers for an extraordinary seven-night circumnavigation of Iceland, July 5-13, 2020. At the edge of the Arctic Circle, experience close encounters with Iceland’s primal landscapes and unique wildlife at the best time of year when the Midnight Sun of the summer solstice melds into lingering twilight.

Enjoy cruising aboard the exclusively chartered, new, five-star small-ship Le Bellot. Navigate the small ports and ethereal waterways as rugged fjords and majestic glaciers unfold before you. Discover the awe-inspiring beauty and mystery of the land of fire and ice, an ensemble of steaming fumaroles, bubbling mudpots, breathtaking waterfalls, venting geysers and calving glaciers.

In partnership with outstanding naturalist guides, the program will be led by Dan L. Perlman, chair of the environmental studies program and professor of biology at Brandeis. Professor Perlman will enrich the program with his knowledge of ecology, conservation biology and animal behavior.

Explore cosmopolitan Reykjavík, the world’s northernmost capital and a vibrant example of Iceland’s egalitarian society. Visit seldom-trod islands and coastal hamlets where the mythic lore and epic sagas of Iceland’s national identity have been passed down through generations. Cruise into Siglufjörður, cross the Arctic Circle on Grímsey Island, touch ice fragments calved from the Breiðamerkurjökull glacier in UNESCO-designated Vatnajökull National Park and marvel at dramatic Goðafoss, the “Waterfall of the Gods.”

Look for orcas and humpback whales as you cruise past Surtsey, one of earth’s youngest islands and a UNESCO World Heritage site. Uncover the history of Iceland’s “Pompeii of the North” on fascinating Heimaey Island, where houses hemmed by hardened lava from Eldfell volcano are clustered beneath towering cliffs populated by puffins, fulmars and guillemots.

I hope you will join us for a uniquely Brandeisian experience featuring stimulating conversations with fellow travelers and camaraderie and connection with other intellectually curious alumni and friends. Make your reservations today as space and air inclusions are limited and we expect this program will fill quickly.

Sincerely,

F. Patricia Fisher
Vice President, Alumni Relations
Brandeis University

FACULTY LEADER

Dan L. Perlman is chair of the environmental studies program and professor of biology at Brandeis, where he has taught tropical ecology, conservation biology and animal behavior. He recently served as associate provost of innovation in education and director of the Center for Teaching and Learning. He has co-authored three textbooks on conservation biology and ecology: “Conserving Earth’s Biodiversity: With E.O. Wilson,” “Practical Ecology for Planners, Developers, and Citizens” and “Biodiversity: Exploring Values and Priorities in Conservation.” He developed a website (www.EcoLibrary.org) from which he freely distributes teaching materials he has developed for ecology and environmental studies. He has been awarded university-wide teaching awards by Brandeis (the Student Union Teaching Award twice and the Louis Dembitz Brandeis Prize for Excellence in Teaching once) and Harvard (the Phi Beta Kappa Prize for Excellence in Teaching). He received his Ph.D. from Harvard. Professor Perlman has led four previous Brandeis Travelers trips to Alaska, the Galapagos Islands, Australia/New Zealand and the Amazon.
Sunday, Day 1
Depart the U.S.

Reykjavík, Iceland
Monday, Day 2
Arrive in Reykjavík, a UNESCO Creative City of Literature. See the idyllic parks and botanical gardens of Laugardalur, where a geothermal, Olympic-sized outdoor swimming pool speaks to Iceland’s seemingly endless supply of natural hot water. Continue to the impressive National Museum, where over 2000 artifacts—including the priceless 13th-century Valþjófsstaður church door—provide a comprehensive account of Iceland’s history and culture. Visit Hallgrímskirkja church, whose distinct silhouette rises above Reykjavík’s skyline. Continue to Reykjavík’s old town center, a compact core of narrow streets lined with small, colorful houses, before boarding Le BelloT.

Please note that the ship’s cruising pattern and direction are dependent on weather and sea conditions and are subject to change.

Vigur Island/Ísafjörður
Tuesday, Day 3
Enjoy the morning cruise to the awe-inspiring, seldom-visited Westfjords peninsula. On verdant Vigur Island—home to a single farming family—observe Arctic terns, black guillemots, eiders and thousands of puffins in their natural habitat. See relics of Iceland’s traditional farming heritage, including the nation’s only windmill and a 200-year-old rowboat still used to ferry sheep to the mainland. Enjoy sweeping fjord views and keep watch for whales, dolphins and seals. Visit Iceland’s smallest post office and savor coffee and cakes served by our hosts in their home, the picturesque 19th-century Viktoria House.

This afternoon, cruise up Ísafjarðardjúp, the dominant fjord of this remote 14-million-year-old region, framed by the dramatic rise of rugged mountains. Near the town of Ísafjörður, visit the open-air Ósvör Maritime Museum, where restored 19th-century fishermen’s huts and fishing equipment vividly depict the harsh reality of the lives of generations of Iceland’s fishermen.

Tour Ísafjörður’s Westfjords Heritage Museum, where fishing and nautical exhibits, including tools from whaling days and evocative old photos, relate this remote outpost’s fascinating maritime history.

Attend the Captain’s Welcome Reception on board the ship this evening.

Siglufjörður/Grímsey Island/Arctic Circle
Wednesday, Day 4
Clinging to the foot of steep mountain walls at the entrance to a gorgeous fjord, charming Siglufjörður is one of Iceland’s most dramatically sited towns. Multicolored houses lead to a bustling harbor, the hub of the town’s fishing industry. Siglufjörður celebrates the glory days of herring fishing at the award-winning Herring Era Museum, which recreates the history of fish salting and oil processing during the early 20th century.

Jökulsárlón
Gullfoss
Goðafoss

**Cruise by small boat through Jökulsárlón glacial marbled and crystalline icebergs in UNESCO World Heritage Site**

Enjoy a music-filled performance illustrating *síldarsöltun* (traditional herring salting process).

Return to the ship and cruise to Grímsey Island, which straddles the top of the world at 66 degrees north. Craggy coastal cliffs and basalt formations host dozens of species of seabirds, including puffins and auks. Walk across the Arctic Circle, where the island is lush with grasses and mosses.

**Húsavík for Lake Mývatn**

**Thursday, Day 5**

Explore northern Iceland’s extraordinary natural landscapes, stopping at Námaskarð—a geothermal wonder of boiling, sulfurous mudpots—and the pseudocraters at Skútustaðir, formed when hot lava flowed across the wetlands over 2000 years ago.

Look for gregarious orcas in Iceland’s coastal waters.

**Explore the sulfuric mudpots of Námaskarð, where the mineral-rich, desert-toned terrain appears almost Mars-like.**

AIR is Included from Boston, New York-JFK, Newark, Toronto and Washington-Dulles!††

Low Air Add-Ons are available from select cities.

Economy-class, round-trip Reykjavík Included Air is available exclusively through Gohagan & Company. Gohagan & Company and the sponsoring association/organization have no control over availability or air schedule changes.

Walk among the surreal “dark castle” lava formations of Dimmuborgir and drive along the shores of cerulean Lake Mývatn, a birder’s paradise harboring many rare migratory birds and 14 species of Iceland’s bountiful wild ducks.

Continue to Goðafoss, or “Waterfall of the Gods.” According to legend, this waterfall earned its name when an Icelandic lawspeaker threw wooden statues of Norse gods into its crashing waters, signifying his conversion to Christianity.

**Seyðisfjörður**

**Friday, Day 6**

Seyðisfjörður is a tranquil, 11-mile-long fjord that winds toward its eponymous town, a thriving artist’s community where colorful, chalet-style houses shelter beneath Mount Strandartindur and Mount Bjólfur (Beowulf).
Tour Reykjavík and see the church of Hallgrímskirkja, which mirrors natural basalt formations along Iceland’s southern coast.

Visit the sky-hued Blue Church and observe a specially arranged cultural and musical performance. Continue to the Technical Museum to learn more about the mechanical and architectural innovations that characterize this island nation, and enjoy light refreshments.

Djúpivogur for Jökulsárlón
Saturday, Day 7

Enjoy a full-day scenic excursion, with lunch, along Iceland’s east coast with stunning mountain views.

Board a specially designed small boat for a private cruise amid the luminous blue icebergs of Jökulsárlón glacier lagoon and touch the ice that has calved off the outlet tidewater glacier. These mesmerizing ice sculptures can spend up to five years floating in the 820-foot-deep lagoon before moving out to sea via Iceland’s shortest river.

Heimaey, Westman Islands/
Cruise along Surtsey Island
Sunday, Day 8

Arrive at Heimaey Island, part of the Vestmannaeyjar (Westman Islands) archipelago, and stop at Sprangan, the craggy cliff where young islanders learn the local pastime of rope swinging. See the ruins of ancient Viking farmhouses dating from A.D. 650 in Herjólfsdalur Valley, observe Heimaey’s largest puffin colony from the headland of Stórhöfði and view a timbered stave church in scenic Skansinn. See the imposing Eldfell volcano and tour the Eldheimar Museum, which chronicles its fateful activity of 1973 and the subsequent impact on the community.

This evening, cruise along the coast of Surtsey Island, a UNESCO World Heritage site. Created by volcanic activity between 1963 and 1967, it is one of the youngest and most fragile islands on Earth, scientists continually study the evolution of flora and fauna. Be on the lookout for graceful orcas that frequent the region.

Join your traveling companions for the Captain’s Farewell Reception on board this evening.

Reykjavík/U.S.
Monday, Day 9

Following breakfast, disembark and transfer to the airport for your return flight to the U.S.

Reykjavík and the Golden Circle
Pre-Program Option

The captivating city of Reykjavík and its surrounding natural wonders provide you with the perfect introduction to Iceland. Visit the famous Blue Lagoon and rejuvenate in the warmth of its mineral-rich geothermal waters surrounded by black lava fields. Tour the legendary Golden Circle—UNESCO World Heritage-designated Þingvellir National Park, the thundering terraced cataract of Gullfoss and Strokkur, possibly the world’s most iconic fountain geyser. Take in the stunning panoramas from the futuristic glass dome of the Perlan Museum and discover its immersive exhibits on volcanoes, earthquakes and geothermal zones. Accommodations are for two nights in the deluxe Hotel Borg.

The Pre-Program Option is available at additional cost. Details will be included with your reservation confirmation.
Luxury Small Ship, Innovative Design
Le Bellot, launching in 2020, represents a new generation of Five-Star small ships, combining revolutionary design and a new standard of luxury for unparalleled cruising. Dock in smaller ports inaccessible to larger ships where authentic cultural experiences and majestic scenery await you.

Blue Eye – World’s First Multisensory, Underwater Observation Lounge
Introducing the extraordinary Blue Eye, the world’s first multisensory, underwater Observation Lounge. View the beauty of marine life through the large, subaquatic windows and integrated digital screens providing live images from underwater cameras, and enjoy the sensory experience of listening to the ocean’s unique underwater universe in the comfort of the exclusive Blue Eye lounge.

Life on Board
Enjoy sweeping views from the lounges—which open to the outdoors—and lectures, cultural performances or film screenings in the state-of-the-art theater. Relax in the spa and sauna or the Sun Deck’s infinity-style swimming pool. The ship has a beauty salon, a fitness room and three elevators. Complimentary Wi-Fi access is available (conditions permitting).

Elegant Suites and Staterooms, 100% with Private Balconies
Each of the 92 Five-Star Staterooms and Suites (up to 484 square feet) features a private balcony. Grand Deluxe Suites have a bay window and spacious private terrace. Accommodations offer two twin beds or one queen bed, individual climate control and a private bathroom with shower and luxury hotel-style amenities.

Chic and Casual Dining
Dine indoors or alfresco on international and regional cuisine served in the stylish, spacious indoor-outdoor restaurant, at the casual pool deck grill or from 24-hour room service. Daily meals include continental and buffet breakfasts, buffet lunch, afternoon tea and four-course dinner.

Respect for the Environment
A state-of-the-art addition to the Ponant “Clean Ship” fleet, an important certification among ocean-cruising vessels, Le Bellot is energy efficient and eco-friendly, protecting fragile marine ecosystems.

World-Class Service
The highly trained, English-speaking crew is personable and attentive, and the ship has a medical center staffed with a doctor and a nurse.

‡‡Marine life viewing varies by location.

††Included Air and Low Air Add-Ons have limited availability and are not guaranteed.
Encounter the majesty of Strokkur, a fountain geyser that jets hot water toward the sky every six to eight minutes, on the Reykjavík and the Golden Circle Pre-Program Option.

Explore “Diamond Beach” along Jökulsárlón glacial lagoon, where glistening ice formations contrast the slaty sand.

A land of unparalleled geological riches, Iceland is home to 4500 square miles of glaciers, 30 active volcanic systems, 800 hot springs and over 10,000 waterfalls. Born of the monumental forces unleashed during the movement of the North American and Eurasian tectonic plates and carved out by formidable glaciers and incredible waterfalls, the land is a combination of intense natural energy and veritable calm. The topography of Iceland continues to evolve, yet many of its landscapes remain nearly unchanged since the first Viking settlers laid eyes on them more than 1100 years ago.

During your circumnavigation, see volcanic craters and fissures, watch as bubbling hot springs erupt steam into the air against a backdrop of Mars-like terrain, encounter pristine waterfalls and black lava deserts, and witness the stoic majesty of mountains capped with snow and volcanoes slumbering beneath sheets of ice. Along the coast, Iceland’s characteristic fjords chronicle the powerful path of the glaciers. Enjoy these natural wonders, in constant flux as glaciers calve and shift and new mountains emerge from volcanic lava flow. A startlingly beautiful portrait of Earth’s history and progress, Iceland is a primordial landscape hewn by the forces of fire and ice.

Encounter the majesty of Strokkur, a fountain geyser that jets hot water toward the sky every six to eight minutes, on the Reykjavík and the Golden Circle Pre-Program Option.
